Tips for registration:

- Your User ID must be between 5 and 10 alphanumeric characters (Mydogsam3). You may also elect to use your email address (Susie.Smith@noname.com).
- Your Password must be between 5 and 10 alphanumeric characters.
- If you elect to utilize the password reminder, you will be emailed your reminder if you fill in your User ID and then click on the link on the login page, as shown here:
- You will need to remember your User ID and Password for the next time you log in. Please remember your user ID and password and keep it in a safe place.
- Use the name provided to the hospital in your employment record only, for example if your name of record is Sandra Lou Jones, you should not use your nickname, Sandilou Jones.
- Use a password and user ID that you can remember.
- Use a password reminder that will assist you in remembering your password. If you forget your password, from the login screen, click on the Password Reminder link.

On the screen shown below, complete the form and in the last section **Department**, choose the correct hospital and click on the **Submit** button.
